Of a face full of words you'd think a few would be right  
(right)  
and with a few tips of courage you'd think my lips less  
tight (right)  
shattered passenger window beside itself on the floor  
they can take my stereo, but you can't take me for a kid  
anymore

I'm going back to your house,  
back from the dead  
why can't I forget what Katie said?  
you've got standards, girl,  
what the hell are you doing with me?

STD pay phone hanging off my face  
your roomie's got me on hold,  
damn, why am I such a disgrace?  
with a fist full of change and absolutely no sense  
what little I've learned about love is at my pride's  
expense

I'm going back to your house,  
back from the dead  
why can't I forget what Katie said?  
you've got standards, girl,  
what the hell are you doing with me?

I'm going back to your house,  
back from the dead  
why can't I forget what Katie said?

you've got standards, girl,  
what the hell are you doing with me?

You always know the latest place to be  
with your waved-at friends and your waved-at fees  
your neon eyes blinking vacancy, baby, baby  
you've always been the latest thing to be  
with your guest list girls and their listless pleas  
hear hear, three cheers for your apathy

I'm going back to your house,

back from the dead  
why can't I forget what Katie said?  
you've got standards, girl,  
what the hell are you doing with me?

I'm going back to your house,  
back from the dead  
maybe I'll forget what Katie said?  
you've got standards, girl,  
what the hell are you doing with me?  
Yeah, what the hell are you doing with me?  
what's a decent girl doing with me?
