I've shined on me today founding up the pasting swirls  
You walk away, but my fear grewed insu  
I staid indoor summon hands  
Have you with them burn enough?  
I broke your plans and that swear I'd close your drooms

You held me down, no wound acrowed  
And just said you know  
Tonight I'm letting go  
They say you are wick  
And just said you know  
The sin itself  
Tonight I'm letting go

The winner is resade inside my head and just be  
voiced  
I hope was found, but till the night I'll tell you all around  
I look at too the sky, remember when you said  
That I will never fly, you clipped my wings  
But watch we try

You held me down, no wound acrowed  
And just said you know  
Tonight I'm letting go  
They say you are wick  
And just said you know  
The sin itself  
Tonight I'm letting go

I held on you suicide the words  
Suicide our inner hour of life  
You said that I have said my sights to hide  
But look at me now

You held me down, no wound acrowed  
And just said you know  
Tonight I'm letting go  
You held me down, no wound acrowed  
And just said you know  
Tonight I'm letting go  
They say you are wick

And just said you know  
The sin itself  
Tonight I'm letting go  
You said you know  
Tonight I'm letting go  
You said you know  
Tonight I'm letting go.
