Someone stole the keeshka
Someone stole the keeshka
Someone stole the keeshka
From the butcher shop

Who stole the keeshka
Who stole the keeshka
Who stole the keeshka
Someone, call the cop

Round and firm and fully packed
It was hanging on the rack
Someone stole the keeshka
When I turned my back

Who stole the keeshka
Who stole the keeshka
Who stole the keeshka
Won't you bring it back

You can take my shinka
Take my fine kielbasa
You can take my pierogi
But gimme back that keeshka

Who stole the keeshka
Who stole the keeshka
Who stole the keeshka
Won't you bring it back

Yasha found the keeshka
Yasha found the keeshka
Yasha found the keeshka
He hung it on the rack

He found the keeshka
He found the keeshka
He found the keeshka
Yasha brought it back
