My Love, My love and I  
My love, My love and I  
We had a quarrel last night  
My love I  
(Oooh oh yeah)  
My love and I

She told me,  
she gotta say good bye,  
Oh yes she told me,  
that I'm gonna cry

We had a quarrel last night  
My love and I  
My love and I

(Instrumental)

If you don't know,  
let me tell you whats going on,  
she says, she wanna leave me,  
she gonna turn me down,  
let me tell you my love,

My love and I  
My love and I

We had a quarrel last night,  
My love and I,  
Everything was so wrong,  
My love and I
