Well, come on lets go, lets go, little darlin
Tell me that you'll never leave me
Come on, come on, lets go again and again and again
and again

Well, now swing me, swing me all the way darling
Come on, lets go little darling
Lets go, lets go again once more

Well, I love you so yeah,
And I'll never let you go
Come on baby soon
Oh pretty baby, I love you so

Well, lets go, lets go, lets go little sweetheart
And then we can always be together
Come on, come on lets go again

Well, lets go, lets go, lets go little darling
Wherever well be alone yeah
Come on, come on lets go and again and again and
again and again

Well, come on, come on, come on little darling
Come on well always be together
Come on, come on little darling
And again and again and again

Come on, come on little darling
Come on, come on little darling
Come on, come on little darling
And again and again and again
