You and me got somethin', (baby)

That I know is good (do-do-do-dewh)

You know how to love me, (baby)

Just the way you should

And when you hold me baby

I know I can do no wrong

And when I see you standin' there,

I know just where I belong, aouw

Chorus

You make me feel so good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so gooooood

I told you when I met you (baby)

That I was going up (do-do-do-dewh)

And if you stuck right by me (baby)

I'd give you all that fancy stuff

And then you told me "Baby

Well anything you do if fine

Well I done care if we got nothin'

Just as long as you are mine

Return to Chorus

So good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so gooooo

Well, So good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so good (good) good (good)

You make me feel so gooooo
