You and me got somethin', (baby)  
That I know is good (do-do-do-dewh)  
You know how to love me, (baby)  
Just the way you should  
And when you hold me baby  
I know I can do no wrong  
And when I see you standin' there,  
I know just where I belong, aouw

### Chorus

You make me feel so good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so goooooood

I told you when I met you (baby)  
That I was going up (do-do-do-dewh)  
And if you stuck right by me (baby)  
I'd give you all that fancy stuff  
And then you told me "Baby  
Well anything you do if fine  
Well I done care if we got nothin'  
Just as long as you are mine

### Return to Chorus

So good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so goooooood

Well, So good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so good (good) good (good)  
You make me feel so goooooood
