I never thought,
True love could be,
The way it had been,
For you and me.

Ahhh baby,
Don't...
Don't you know it's true?
Yeah...
Don't you know it's true?
Yeah...

Ya see,
I've had my share,
Of this life's pleasure,
But no other love,
Could ever measure,
With you, darling.

Don't you know it's true?
Yeah...

Because it's you... you, you.
It's you... you, you.
Because it's you... you, you,
That made me feel the way I do.

You know I never thought,
I could feel this way.
But since we've been together,
I can truly say,
I'm so happy,
And it's all because of you.
And it's all because of you.

I even had my share,
Of fun and games,
But now everything,
Has been rearranged.

I'm so happy,
Yeah...

And it's all because of you.
Because it's you... you, you,
It's you... you, you.
Because it's you... you, you,
That makes me feel the way I do,
That makes me feel the way I do.

Because it's you... you, you,
I know it's you... you, you.
Because it's you... you, you,
That makes me feel the way I do.
Uh huh.

You filled my life,
With inspiration,
And you've given me,
And indication...
Oh darling,
Of what love can do.
Yeah yeah...

Because it's you... you, you,
I know it's you... you, you.
Because it's you... you, you,
That makes me feel the way I do.
That makes me feel the way I do.

Because it's you... you, you,
I know it's you... you, you.
Because it's you... you, you,
That makes me feel the way I do.
That makes me feel the way I do.
