Fer sure maybe fer sure not
Fer sure eh fer sure bomb
Pulled up at a stop light did drugs on the dashboard
Look at the mess we made tonight

Kick off your stilettos
Kick off your stilettos
And fuck me in the backseat
Fuck me in the backseat
You're always falling in disguise
And always quick to compromise

Kick off your stilettos [oh yeah]
Kick off your stilettos
And fuck me in the backseat [fa-fa-fa]
Fuck me in the backseat
Fer sure maybe fer sure not
Fer sure eh fer sure bomb

This is the end of what we planned [of what we
planned]
And now.

We're not falling in love
We're just falling apart [so girl let's dance the night
away]
This is how the beat goes
This is how the beat goes [Just let your body go]

This is how the beat drops
This is how the beat drops [I wanna see your panties
drop girl now]
All this time is wasted pretending we're in love
But that's alright cause you know
I love being with you and seeing you cry

So don't let go-o-o
Well don't let go, no-o
Don't let go

Fer sure maybe fer sure not

Fer sure eh fer sure bomb
Pulled up at a stop light did drugs on the dashboard
Look at the mess we made tonight

Kick off your stilettos
Kick off your stilettos
And fuck me in the backseat
Fuck me in the backseat

So don't let go-o-o
Well don't let go, no-o
Don't let go

No jkjkjk lololol
I heart your fucking makeup
Oh my god I love your hair
Is that a new tattoo?
Did that piercing fucking hurt?
No jkjkjk lololol

We're not falling in love
We're just falling apart [so girl let's dance the night
away]
This is how the beat goes
