Follow God for a place in Heaven  
Spill your blood in the Holy grail,  
Crying tears of rape & torture  
Frost bound slain, guts for sale.  
Die for God in the mill of murder  
Walk with God in the afterlife,  
Flesh is meat where birds devour  
At the gates of paradise.  
Fields of flesh from graves ripped open  
Only the dead can see an end to war,  
Sleeting snow where bones lay broken.  
Tell me what all this was for  
Tell me what all this was for  
Tell me what all this was for  
Die for God, Die what  
Was it worth dying for?

Cry for God when your life was ending  
Call for God now death is near,  
Where was God when you were dying  
Reek of war is master here.  
Left behind are slaughtered strangers  
Enemies become your friend  
This is how the fear takes over  
When it's time to meet the end.  
Fields of flesh from graves ripped open  
Only the dead can see an end to war,  
Sleeting snow where bones lay broken.  
Tell me what all this was for  
Tell me what all this was for  
Tell me what all this was for  
Die for God, Die what  
Was it worth dying for?
