No more pharaohs  
No more kings  
No more masters  
No more darkness

I gave you life  
I gave you death  
But you'll never ever set me free  
I gave you fire  
I gave you war  
But you'll never ever set me free  
I gave you iron  
I gave you gold  
But you'll never ever set me free  
I gave you might  
I gave you hell  
But you'll never ever set me free

I gave you life  
I gave you death  
I gave you fire  
But you'll never ever set me free  
I gave you war  
I gave you iron  
I gave you hell  
But you'll never ever set me free

Falling ever deeper  
Going nowhere, nowhere fast  
There's nothing left  
But the past

Calling out for god  
But god is dead  
So stop you crying  
And let me go

Didn't no one Ever tell you  
Times in reverse  
And we're all going back to hell  
Back to hell  
Back to hell

Back to hell
