Slain of Hebron, Desert Titans
Sons of Anak rise.
Earth born giants, torn asunder
Sons of Anak rise.

Ishbiben, Ohya, Achor
Beelisas, Arba, Lahmi
Sons of Anak rise
Sons of Anak rise.

Og of Bahsan, Great Goliath
Sons of Anak rise
Horim, Emim, mighty Nephilim
Sons of Anak rise.

With Midian steel the giants fell
All murdered by the Hebrew priests,
& They shall not rise, nor live again
These sons of Anak deceased.

Og of Bahsan, Great Goliath
Sons of Anak rise
Horim, Emim, mighty Nephilim
Sons of Anak rise.
