The color of your eyes  
Run deep through me  
I'll stand all alone  
And wait for you  
Down on your ways  
Down on my ways  
Girl we're only letting ourselves down tonight

When it comes falling down  
It's pouring over me  
And all the pain I felt  
She said that she feels like she's had enough  
She said that she feels like she's had it  
Waiting for this night to end, when you know  
And you know It's over  
And girl I hate to say this  
Maybe It's the wrong time  
To bring up the feelings gone  
Maybe you were right  
But I can't do this now so  
Pretty eyes(Pretty eyes),  
I'll say goodnight(I'll say goodnight)  
I said enough, I'm letting go

It's coming around again  
And I just can't pretend I didn't see this here we go  
Play the record hold me close  
Now I know you're leaving(Now I know you're leaving)  
Just tell me that you care(Just tell me that you care)  
Down the road we'll never know, down the road I wanna  
know  
And girl I hate to say this  
Maybe it's the wrong time  
To bring up the feelings gone  
Maybe you were right  
But I can't do this now so  
Pretty eyes(Pretty eyes),  
I'll say goodnight(I'll say goodnight)  
I said enough, I'm letting go

The color of your eyes  
Run deep through me

I'll stand all alone  
And wait for you  
I'll sing you to sleep  
As you hold on to me  
Don't stop baby girl  
I need you too

And girl I hate to say this  
Maybe it's the wrong time  
To bring up the feelings gone  
Maybe you were right  
But I can't do this now so  
Pretty eyes(Pretty eyes),  
I'll say goodnight(I'll say goodnight)  
I said enough I'm letting go  
Pretty eyes, I'll say goodnight  
I said enough, I'm letting go

The color of your eyes  
Run deep through me  
I'll stand all alone  
And wait for you  
Down on your ways  
Down on my ways  
Girl we're only letting ourselves down tonight
