The lights are out and the dance floors waiting but your
too busy blending in the crowd.

The lights are out and the dance floors waiting but your
too busy following the crowd.

And when you come back down now girl.(2x)

When you were a young girl did you wona be
something more baby.

But now you feel your so lost and your burning up
inside. Yeah

WeÂ're clocking in to watch our fate come crashing
down.(2x)

I cant pretend IÂ'm happy when and now I know its
pointless.

IÂ'm constantly on a down and IÂ'm tired of waiting.
Climb to the top we climb to the top and now you're
falling again.

The lights are out and the dance floors waiting but your
too busy blending in the crowd.

The lights are out and the dance floors waiting but your
too busy following the crowd.

And when you come back down now girl.(2x)

When I was a young boy I wanted to be something
more baby

But I cant dance no and I sure as fuck cant sing.

WeÂ're clocking in to watch our fate come crashing
down.(2x)

Why do we play into this motive. What are you waiting
for tonight.

You wonder, you wait and you cant get through this
without a line. Now.

Climb to the top we climb to the top and now you're
falling again.

Lets brake it down.

Every thing's so jaded baby fathers trying hard to
keep up with the Jones' and his wife's
So dirty baby sexing up every Tom, Dick and Harry in
town. Lets go!

I can't pretend I'm happy when and now I know its
pointless.
I'm constantly on a down and I'm tired of waiting.
Climb to the top we climb to the top and now you're
falling again
