Sometimes,
I find another world inside my mind
When I realize the crazy things we do
It makes me feel ashamed to be alive
It makes me wanna run away and hide

It's all about the money
It's all about the dum dum duh dee dum dum
I don't think its funny
To see us fade away

It's all about the money
It's all about the dum dum duh dee dum dum
And I think we got it all wrong anyway

We find strange ways of showing them how much we
really care
When in fact we don't seem to care at all
This pretty world is getting out of hands
So tell me how we failed to understand

It's all about the money
All about the dum dum duh dee dum dum
I don't think its funny
To see us fade away

It's all about the money
It's all about the dum dum duh dee dum dum
And I think we got it all wrong anyway
Anyway

'Cause it's all about the money
Mm mm, mm mm

It's all about the money
All about the dum dum duh dee dum dum
I don't think its funny
To see us fade away

It's all about the money
All about the dum dum duh dee dum dum
And I think we got it all wrong anyway

It's all about the money
It's all about the dum dum duh dee dum dum
I don't think its funny
To see us fade away

It's all about the money
It's all about the dum dum duh dee dum dum
And I think we got it all wrong anyway
Anyway
