The footlights are fading
the last note is playing
And all the balloons are falling down
here on the inside
Where I go to hide
I'm not only who they see
Cause that is just another part of me

I wanna go home
Starting all over
it's been a long hard trip
and my soul is cold
I wanna go home
with the sun on my shoulder
I'm going home
on the Seven Sisters Road

One day I'm a dreamer
a sweet-dream believer
Then I'm as grounded as a tree
One minute I'm wisdom
so full of decision
The next I'm a river running free
Depends on who I wanna be
I wanna go home
Starting all over
It's been a long hard trip
and my soul is cold
I wanna go home
with the sun on my shoulder
I'm going home
on the Seven Sisters Road

On 7 different places
I am 7 different faces
Say can you find the heart of me?

I wanna go home
Starting all over
It's been a long hard trip
and my soul is cold
I wanna go home

with the sun on my shoulder
I'm going home
on the Seven Sisters Road
I'm going home
on the Seven Sisters Road
I'm going home
on the Seven Sisters Road
