Each time I look in the book of history
Tears fall from my eyes
Tears fall from my eyes

When I look into the tribulation
That my poor people went down the boat
They we forced to work in the field
All day without any meals
Only the mercifulness of jah
That keep us alive
From creation yeah
Until now Yeehhh na na na

Ooh ooh ooh ooh ooooooh2x
Ooh ooh ooh ooh ooooooh2x

Solo Guitar and Dub
