Fly natty dread
In the city
Fly natty dread
Fly it in the streets
Fly natty dread
Anywhere you go
Fly natty dread

I take a plead in all creation
Creation, creation
And this is what revealed to me yeah
The king of kings is a RASTAMAN
He is a living Rastaman but true
A Living Rastaman
He is a living Rastaman 2x
So

Fly natty dread
In the city
Fly natty dread
Fly it in the streets
Fly natty dread
Anywhere you go
Fly natty dread

Wicked people will fight you down Guess what ooh ooh
ooh ooh oohooh
When they see you're wearing that gone now ooh ooh
ooh oohoohooh
But the seed you sow that you shall reap now ooh ooh
ooh oohoohooh
Is not what you say is what you do now ooh ooh ooh
oohoohooh
So all you got to do

Fly natty dread
Fly on
Fly natty dread
Fly it in the city
Fly natty dread
Fly on
Fly natty dread

Let it grow unto zion
Let it grow let it grow

Guitar Solo

Let it grow let it grow The real let it grow
Let it grow through your door 2x You hear what I say
Let it grow, grow unto Zion
So

Fly natty dread
In the city
Fly natty dread
Fly it in the streets
Fly natty dread
Anywhere you go
Fly natty dread

Wicked people will fight you down Guess what ooh ooh
ooh ooh oohooh
When they see you're wearing that gone now ooh ooh
ooh ooh oohooh
But the seed you sow that you shall reap now ooh ooh
ooh ooh oohooh
Is not what you say is what you do now ooh ooh ooh ooh
oohooh
So all you got to do
So all you got to do

Fly natty dread
In the city
Fly natty dread
Fly it in the streets
Fly natty dread
Anywhere you go
Fly natty dread
