Oh Jah Â- I praise thee

Oh jah keep those enemies away 2x  
Keep them far Â- far behind me  
Oh jah keep those enemies away 2x

Let melt away like wax in a fire ou yeiii  
Ooh ooh oooooooooohhh  
Like the wind blow let them blow away ou yeiii  
Give I strength cause you're my mighty redeemer  
Ooh ooh oooooooooohhhh  
Guide and protect us while we trod the road  
Here we pray

Oh jah keep those enemies away 2x  
Keep them far Â- far behind me  
Oh ja keep those enemies away 2x

How can I forget what they've done to you Â- you and I  
Ooh ooh oooooooooohhh  
How can we forget and live a life without history  
A persecution tribulation we all must bear  
Evil deeds of them, I and I do not fear

Oh jah keep those enemies away 2x  
Keep them far Â- far behind me  
Oh ja keep those enemies away 2x

Horns

How can I forget what they've done to you Â- you and I  
Ooh ooh oooooooooohhh  
How can we forget and live a life without history  
A persecution tribulation we all must bear  
Evil deeds of them, I and I do not fear

Oh jah keep those enemies away 2x  
Keep them far Â- far behind me  
Oh ja keep those enemies away 2x Once again

Keep me jah jah in a good company  
Make look out for me brethren while they look out for

me  
Keep me jah jah in a good company  
Make look out for me sisthren while she look out for me  
(repeat all vamp)

Oh jah keep those enemies away 2x  
Keep them far Â- far behind me  
Oh ja keep those enemies away 2x
