Fer sure maybe fer sure not  
Fer sure eh fer sure bomb  
Pulled up at a stop light did drugs on the dashboard  
Look at the mess we made tonight

Kick off your stilettos  
Kick off your stilettos  
And fuck me in the backseat  
Fuck me in the backseat  
You're always falling in disguise  
And always quick to compromise

Kick off your stilettos [oh yeah]  
Kick off your stilettos  
And fuck me in the backseat [fa-fa-fa]  
Fuck me in the backseat  
Fer sure maybe fer sure not  
Fer sure eh fer sure bomb

This is the end of what we planned [of what we  
planned]  
And now.

We're not falling in love  
We're just falling apart [so girl let's dance the night  
away]  
This is how the beat drops  
This is how the beat drops [Just let your body go]

This is how the beat drops  
This is how the beat drops [I wanna see your panties  
drop girl now]  
All this time is wasted pretending we're in love  
But that's alright cause you know  
I love being with you and seeing you cry

So don't let go-o-o  
Well don't let go, no-o  
Don't let go

Fer sure maybe fer sure not  
Fer sure eh fer sure bomb

Pulled up at a stop light did drugs on the dashboard

So don't let go-o-o  
Well don't let go, no-o  
Don't let go

No jkjkjk lololol  
I heart your fucking makeup  
Oh my god I love your hair  
Is that a new tattoo?  
Did that piercing fucking hurt?  
No jkjkjk lololol

We're not falling in love  
We're just falling apart [so girl let's dance the night  
away]  
This is how the beat drops

But that's alright

You got fucking jizz on my back  
Where'd you threw my panties?  
I threw them out the window bitch  
Shut the fuck up.
