I saw you with her dear
You tried to hide away
She left through the back door
You always hide your secret away
I acted so serene I was so drowsy then
My fault I'm so careless
I gave you one too many pills

My oh my
My alibi
Restore my faith
In these
Words so clear
My failure dear
Lies tucked away
In me

You wanted to play this game I'll
Play it too
Call me baby I will show you what this girl can do
A mattress for a coffin suit you very fine
You'll fill me with my others that you sued under the
scenes

My oh my
My alibi
Restore my faith
In these
Words so clear
My pillar dear
Lies tucked away
In me

My oh my
My alibi
Restore my faith
In these
Words so clear (words so clear)
My failure dear (my failure dear)
I sent away (sent away, sent away)
In me (in me yeah)
Myyyyy, whyyyy, my-y
