All alone, I feel cold inside  
Loneliness, I'm the only one to know  
I am one with my armchair  
(In memories  
All night I'm playing for you  
I've  
Though I know you won't thank me  
seen  
What else is left to do?  
all this)  
It is here  
I will defend you  
Near and nearer  
Fight it back  
One foot in the grave  
I have seen this all before  
Memories, memories of tomorrow  
In the grave  
I have seen this all before  
Dear me  
Memories of tomorrow  
Once I was dead, I know I'll be  
I've diffracted it all on myself  
Oh, can't this chalice pass by me  
(I'm thinking  
Why can't it be someone else  
back of  
I've got to pay for the world now  
what  
If not, There's no one to do  
will be)  
It is here  
I will defend you  
Near and nearer  
Fight it back  
One foot in the grave  
I hav  
e seen this all before  
Memories, memories of tomorrow  
In the grave  
I have seen this all before  
Dear me

Memories of tomorrow
