Just don't forget now,  
What you're sorry for, you're sorry for  
A plague of lies and deceptions  
But don't say you're sorry

We're falling out of love again  
(Please just don't say that you're sorry)  
But I'm finding my redemption, my redemption

Dissecting emotion  
Now I'm sorry for, I'm sorry for  
Come clean, come on kill suspicion,  
But don't say you're sorry

We're falling out of love again  
(Please just don't say that you're sorry)  
But I'm finding my redemption, my redemption  
Were falling out of love again  
(Please just don't say that you're sorry)  
But I'm finding my redemption, my redemption

I'm not a concept Joel,  
I'm just a f\*cked up girl looking for my own piece of  
mind  
I'm not perfect  
I can't see anything I don't like about you,  
But you will  
Right now I can't  
But you will  
You know you will think of things and I'll get bored with  
you  
And feel trapped because that's what happens with me  
Okay?  
Okay.

Just don't say that you're sorry

We're falling out of love again  
(Please just don't say that you're sorry)  
But I'm finding my redemption, my redemption  
Were falling out of love again  
(Please just don't say that you're sorry)

But I'm finding my redemption, my redemption

Were falling out of love again

But I'm finding my redemption, my redemption
