

The Method To My Medium "Melodies And Metaphors"

Visit "[Melodies And Metaphors](#)" on MotoLyrics.com

These melodies and metaphors that spill from my lips
Allow me to inch my hands down your hips
But proceed with caution I might
I might be more than what you've bargained for

You're sitting down now
As your ghost goes

I've got it all figured out (I've got it all figured out)
I am a longing for your lust
A craving for your crush
Don't tell me it's already over (Don't tell me it's already over)
Don't tell me now

Don't hold it back because you know I want to hear it now
Don't hold it back because you know I want to hear it now
Don't hold it back you're the one
Wondering why, wondering why...

But proceed with caution I might
I might be more than what you've bargained for

You're sitting down now
As your ghost goes

I've got it all figured out
I am a longing for your lust
A craving for your crush
Don't tell me it's already over (Don't tell me it's already over)
Don't tell me now

I'm falling fast asleep...

I'm falling fast asleep
I'm falling fast asleep

Girl your eyes
Are falling fast asleep

Girl your eyes

Girl your eyes
Are falling fast asleep
Girl your eyes
