First cry after doing some lines
In a club in 1994
But she left with his life on the A25
Express service from Victoria

Then he took her shopping up in the East End
A bit of a waster but a good boyfriend
And he's like 'I'm coming back tommorow'
That's what he always say
'I'm coming back tommorow, if that's ok'

She left in the morning
Awoah woah
Left a note in the kitchen
Awoah woah

'I'm coming back tommorow'
That's what he always say
'I'm coming back tommorow, if that's ok'

Two nights in the back and it's like
Ah ah Ah AH
Two beers at the bar and I'm like
Ah ah Ah Aaha
Two nights in the back and that's okay
Two beers from the bar and that's today

Live a live a live a live a live a little
Live a live a live a live a live a little

Toooooold ya!

Can't remember the last time that I saw her face
I'm with the ascot classics at the Millwall game
