You don't even know me
You forgot my name
all i Know is what we had
that's a crying shame

The other day I saw you walking
down the street
felt a tremble in my hand
if only we could meet

Living a illusion
A melody run me by
Stuck In this Confusion
Don.t let the music die

Running Into Danger
i'm coming off the rail
Don't treat me like a stranger
cos a love that failed

I am just a loner what do I have do
Searching through old battlefields
getting back to you

Release Me
Why can't you

thoses summer days
when life was good somehow
I do remember
it's hard to fin
That's why I miss you now
i'm faling

You don't even know me
You forgot my name
all i Know is what we had
that's a crying shame

Release Me
Why can't you

thoses summer days
when life was good somehow
I do remember
it's hard to fin
That's why I miss you now
i'm faling

I'm just a Loner
What do I have to do
