You Look So Beautiful
With your lipstick smeared across your face
And now I can't help but smile
When I see you falling down
Wishing that for just one day
You could wake up free from me
One day you'll be mine

You pretend that it was the first time
That I've Fallen in Love
And you pretend that it will be the last time
That I'll Wave Goodbye

Take the world of your shoulders
And lay apon the hills
Thinking of another reality
That you could escape to
And leave this world behind

You pretend that it was the first time
That I've Fallen in Love
And you pretend that it will be the last time
That I'll Wave Goodbye

Inside The Line
Between Dreams and Reality
I Stand
Inside The Line
Between Dreams and Reality.

[Solo]

You Look So Beautiful
With your lipstick smeared across your face
And now I can't help but smile
When I see you falling down
Wishing that for just one day
You could wake up free from me
One day you'll be mine

You pretend that it was the first time
That I've Fallen in Love

And you pretend that it will be the last time
That I'll Wave Goodbye
