As I look out into the night, I'm alone here,  
There are so many empty faces around, all around me  
As I try to get through, it seems like  
They don't understand me:  
And they keep pulling me back  
To take part in their fantasies,  
But I get this feeling, when I look inside,  
It's such a strange feeling, I can't hide  
But what can I do, where can I go,  
When I've come this far  
I'm looking out, looking out from nowhere  
I'm looking out, looking out forever  
But, now the time is right  
I've got to break out to the other side  
But you can never know  
What the other side has got to show!  
As I try to get through, it seems like  
They don't understand me,  
And they keep pulling me back  
To take part in their fantasies,  
But I get this feeling, when I look inside,  
It's such a strange feeling, I can't hide  
But what can I do, where can I go,  
When I've come this far  
I'm looking out, looking out from nowhere  
I'm looking out, looking out forever
