I'm with my friends having a sleepover at mine  
Mum said lights off but they're still on at half nine  
There's nothing-gay bout doing nails and doing hair  
Nor nothing-gay bout three boys playing truth or dare

That's when my brush vibrated right between my legs  
To my surprise it was my phone instead  
Dru makes an interception  
Grabs my phone out my hand  
Hello you've reached The Midnight Beast  
You're ruining our plans

B-DOUBLE-O-T-Y  
It's three over average girls  
Calling three under average guys  
We're fucked up and we're ready to play  
We wanna do things we'll regret the next day  
HEY

NO! I wanna play cluedo with my bro's  
NO! I wanna paint rainbows on my toes  
NO! I don't wanna Ho I want a comforting look  
When Noah kisses Allie in The Notebook

BOOTY, BOOTY  
It's just a booty call  
BOOTY, BOOTY  
Even if you're boo-tee-full  
HEY, HEY  
It's just a booty call  
HEY, HEY

Now my phones on silent  
They still call on private number  
I can't believe this desperation to disturb my slumber  
Party, I'm in my dressing gownie  
While Ashley's making brownies  
Dru is in the background-playing twister on his own

HELL YEAH  
We're wearing our Jim-Jams  
HELL YEAH

We're playing a flute  
HELL YEAH  
We're showing our sizes  
The fucking surprise is  
That yours hasn't grown... and then I hear my phone

B-DOUBLE-O-T-Y  
It's three over average girls  
Calling three under average guys  
We're fucked up and we're ready to play  
We wanna do things we'll regret the next day HEY

B-DOUBLE-O-T-Y  
It's three over confident  
Stereotypical cheerleader types  
We're fucked up and we wanna have fun  
You could be the boys we regret when we're done  
HEY

NO! I wanna play sleeping lions  
NO! I'm busy defending Zion  
NO! There's no point in calling cuz I'll never respond  
The boys and me are getting tips from legally blonde

BOOTY, BOOTY  
It's just a booty call  
BOOTY, BOOTY  
Even if you're boo-tee-full  
HEY, HEY  
It's just a booty call  
HEY, HEY

I'm not a booty call; I'm just a normal Boy  
I want to stay at home and play with all my toys

We are three boys  
Not looking for three girls  
My ring tones like a missile  
Bringing war to my world

Cheese strings, party rings  
Are my favorite things?  
Marshmallow with hot chocolate  
Bitch we're living like kings

NO! I wanna have cheese pepperoni  
NO! I wanna play my little pony  
NO! I don't wanna Ho I want a chocolate fountain  
Whilst we snuggle up to watch Brokeback Mountain

BOOTY, BOOTY

It's just a booty call  
BOOTY, BOOTY  
Even if you're boo-tee-full  
HEY, HEY  
It's just a booty call  
HEY, HEY

BOOTY, BOOTY  
It's just a booty call  
BOOTY, BOOTY  
Even if you're boo-tee-full  
HEY, HEY  
It's just a booty call  
HEY, HEY
