Fashhhhiiooon! OK!

Rip my jeans, it's fashion innit!  
Roll up my sleeves, it's fashion innit!  
Knee high leathers, it's fashion innit!

Whaaaat? It's fashion innit!

Paint my nails, it's fashion innit!  
Gotic details, it's fashion innit!  
Spider webs, it's fashion innit!

Whaaaat? It's fashion innit!

Spiky neck piece, it's fashion innit!  
Slip Knot fleece, it's fashion is it?  
Earl grey tea p-p-p-p-p-

Have you heard the word? It's fashion innit!

Screaming man, it's fashion innit!  
Screaming woman, it's fashion innit!  
Sacrificial lamp and a hooded clam,  
We've been throwing horns since time began!

Who can last the longest in a moshpit with an egg?

So what have we learned to guys?  
Don't lost your ticket in a moshpit!  
What else have we learned today guys?  
Music plus clothes equals fashion!  
So what have we learned today guys?  
Don't bring an egg to moshpit!  
But the main thing we learned today guys is?  
Whaaaat? It's fashion innit!
