Fuck the Harlem Shake
The joke has passed its sell by date, I said
Fuck the Harlem Shake
The joke is over for god sake

Kinda funny for awhile
Now it's all.. Gangnam Style
We need to take a break
FUCK THE HARLEM SHAKE

I'm a joke exterminator, a viral terminator
This rap sounds like a shitty Will.I.Am impersonator
Yeah the Harlem Shake's gone cold, even my grandma
thinks it's old
It's no good crying... now you're mine it's peanut butter
jelly time!

Hasta la Vista, (Gangnam Style) say goodbye to your
teeth-a
That joke's so past its time, it's in a fucking pantomime
Nyan Cat? Shut your trap, we caught you when you first
got crap
Baloney, you're a phony like Kony Trying to get a viral
fucking a pony

[Gangnam Style plays]

Fuck the Harlem Shake
The joke has passed its sell by date, I said
Fuck the Harlem Shake
The joke is over for god sake

Kinda funny for awhile
Now it's all.. Gangnam Style
We need to take a break
FUCK THE HARLEM SHAKE

Don't do the Harlem Shake
Let's please not make the same mistake, yeah i said
Fuck the Harlem Shake
That shit gives me a stomach ache

Bad jokes they always linger
Unlike Charlie bit my finger
We need to take a break
FUCK THE HARLEM SHAKE

if the motto's YOLO
Then i don't wanna know-lo
A word about as useless ass a polo with no holo-o
Your bottoms all need spanking, and no we don't want
thanking
It's sad enough you're spending every waking moment
planking

Twitter hashtags
That's the shit I don't like
Hashtag, 'imma carve one on your forehead with a
bread knife

That shit cray...
The whole rap scene is so cliché
It don't make sense but that's okay
What she order? Fish Fillets.

Ball so hard mother fucka's wanna find me
That shit cray, That shit cray
Nahhh, that shit's just fucking lame

Ball so hard mother fuckers wanna sign me
they'll have trouble tryna find me
What's 50 bland silly motherfuckers dressed up can
you please remind me?

Fuck the Harlem Shake
The joke has passed its sell by date, I said
Fuck the Harlem Shake
The joke is over for god sake

Kinda funny for awhile
Now it's all.. Gangnam Style
I don't know what it means
NO ONE CARES WHAT IT MEANS

Don't do the Harlem Shake
Let's please not make the same mistake.. cuz' bitch I,
Ball so hard motherfuckers wanna find me
So hard I got a stomach ache

Ideas they should be fresher
Like a parody of Kesha
It's dead for goodness sake

FUCK THE HARLEM SHAKE!
