I'm a ninja
Of the dance floor
I got a craving for whatever's yours
I'm a fucking ninja
Of the dance floor
I do the things that you can't ignore

Are you a ninja!
Do you drink special brew?
Cause you can't afford a bottle of the champagne too?

Get out the kitchen if you can't take the heat
I never eat cause
I haven't had a good night till I'm sick in the street

Ah bro that really smells
What have you been drinking man
Super strongbow motherfucker do you wanna can?

I don't pay by card and
I don't pay by cheque man
I'll give you so much change you can't even hold it in
your hand I I...

I'm an assassin of the dance floor right?
I silently assassinate every drink in sight
I got eyes like a hawk a serial drink thief
I'm like Robin Hood apart from that I'm robbing for me

From the rich cause I'm poor
A celebrity whore
I'm the type of boy you told your daughters to watch
out for

And my hands are like samurai swords
But they're not metal so nothing like swords
They're just hands what the fuck you saying man?

But I'm still a ninja
Of the dance floor
My hands look nothing like samurai swords

But I'm a fucking ninja
Of the dance floor
So get ready for what I got in store

I went to cheapskates, to be a cheapskate
I went to punk to getta lil crunk
I went to mahiki thought I could be cheeky
They wouldn't let me in -NAH
Till I showed my kata-NAH

Is that my drink?
I-aint got no drink
I swear that's my drink
It was just any drink

Well my drinks been drunk OH WELL
That shit got stung OH WELL

Oh well, welly welly
Lets take a ride like Nelly
We could move like jelly
Were invisible were up all night

I've got special powers
I can stay up for seven whole hours
I can see when it's foggy foggy
Like snoop doggy doggy

I'm a ninja dick face got a tattoo to prove it!
Don't ever let me see you waste your drink cuz I'll lose
it
Give you five whole seconds to finish it up
Till I come around the corner take a shit in your cup

I'm a ninja
Of the dance floor
I'll take a shit in everything that's yours
I'm a fucking ninja
Of the dance floor
I drink more than a liquor store

Are you a ninja? WHAT!
Of the dancefloor? WHAT!

(Did you say something?)
(no i was just doing that "What!")
(what like eminem?)
(Yeah)
Baby I'm a ninja
In a western world
Now lets hear it from my ninja girl

Baby Boo, all of my friends are Ninjas too just like you~

nin-nin-ja-ja
imma fucking ninja
nin-nin-ja-ja
Imma fucking ninja
ja-ja
