Hey Mr.

Thanks for the offer! Thanks for your time spent,
But all our trust went out the window, weeks ago.
I know that you've got big plans.

Hey Mr.

Thanks for the offer.
Thanks for the time spent,
But all your trust went right out the window,
But somehow you've got me thinking again.

Down and out.

He is Down and out.
He's waiting for,
A chance to cash in - but not on me.

She says: "Make that money baby
Could you make that money please?
But don't come home without that green.
Make that money baby -
Could you make it by any means?
But don't come home without that green"

She is down and out,
He is down and out,
And he's waiting for the chance to cash in - but not on
me.

We left with high hopes and headed for Ohio
