(dicky barrett/nate albert)

Police have no suspects yet,

Both women have been shot twice in the head

Gang violence in boston

No parent has planned that their children would leave

them on this earth through violence

Arrrgghhh

Hey what's the big idea? why don't you look where

you're

Police are on full alert

357 magnum 9 millimeter handgun a-k 47 and an uzi

sub machine gun

Everybody's trying to take take!

Take over my spot, people just trying to take take!

Take what I got see if I'm strapped, they can't get to me

Everybody's afraid of each other

You make enemies so easily just hangin' on the corner

Gang violence in boston[4x] nathan!

Chains snatched a couple of times, shoes off your feet

Feel like you've got to arm yourself to protect yourself

Chains snatched a couple of times, shoes off your feet

Feel like you've got to arm yourself to protect yourself

Help [8x]

What do you do if someone's packin'?

What the hell can one man do?

What do you do if he's crackin'?

Hope he can't shoot straight?

357 magnum 9mm handgun a-k 47 and an uzi sub

machine gun
