Album: Jackknife To A Swan

I was under the boss when they made him  
And I was made a short time after that  
I was under oath when I testified  
Im under government protection  
Now they're calling me a rat  
Mr. Moran, thats who I am  
Some call me Sal, some call me Sam  
Some call me when theyre in a jam  
Cause Im the man, Im Mr. Moran  
I eat punks like you, I do for breakfast  
You're just a bowl of cereal to me  
I might be from deep in the heart of Texas  
Or maybe Im from New York  
Make that Knoxville, Tennessee  
Mr. Moran, thats who I am  
Some call me Sal, some call me Sam  
Some call me when theyre in a jam  
Cause Im the man, Im Mr. Moran

They will motherfuck me in a heartbeat  
But first they've got to find me to do that  
Ive been selling ecstasy in Arizona  
Under government protection  
Now whos a fuckin rat?  
( Mr. Moran, thats who I am  
Some call me Sal, some call me Sam  
Some call me when theyre in a jam  
Cause Im the man, Im Mr. Moran [2x] )  
I'm the man, I'm Mr. Moran (2x)
