Album: Jackknife To A Swan

Check the new car out in the mirror
Here comes the fastest man in the traffic jam
A major road rager with a bone to pick
Ill take another quick look and Im over it
Right youre richer now werent you happier
When you were shit out of luck
Youve got so much but youve forgotten
Its more fun when you dont give a fuck
Tear it down to the ground
A lot of kids grew up in there
You put it up and then you made a ton
Well aren't you the lucky one
Right youre richer now werent you happier
When you were shit out of luck
Youve got so much but youve forgotten
Its more fun when you dont give a fuck

Its more fun when you dont give a fuck [3x])
