Have you ever been close to tragedy Or been close to
folks who have Have you ever felt a pain so powerful So
heavy you collapse No well... I've never had to knock on
wood But I know someone who has Which makes me
wonder if i could It makes me wonder if I've never had
to knock on wood And I'm glad i haven't yet Because
I'm sure it isn't good that's the impression that I get
have you ever had the odds stacked up so high You
need a strength most don't possess Or has it ever
come down to do or die You've got to rise above the
rest I've never had to knock on wood But I know
someone who has Which makes me wonder if i could It
makes me wonder if I've never had to knock on wood
And I'm glad I haven't yet Because I'm sure it isn't good
that's the impression that I get I'm not a coward, I've
just never been tested I'd like to think that if I was, I
would pass Look at the tested and think there but for
the grace go I might be a cowards, I'm afraid of what I
might find out I've never had to knock on wood But I
know someone who has Which makes me wonder if i
could It makes me wonder if I've never had to knock on
wood And I'm glad i haven't yet Because I'm sure it
isn't good That's the impression that I get
