It's hard not to think about you,
To keep you off my mind.
It's hard to live in this world without you,

CHORUS

And It's getting harder,
It's getting harder,
It's getting harder,
All the time.

it's so hard to walk past the phone now,
And not try your line.
It's hard to try and make it alone now.

(chorus)

Baby I've got no more foolish pride,
Baby I must have you by my side.
Can't stop wishing for what I had,
Need your kisses and I need 'em bad.

So hard to go on living,
I know that you're not mine.
It's hard without all the love you've given

(chorus)

*guitar solo

Ah, ah, ah, ah

Baby I've got no more foolish pride,
Baby I just need you by my side.
Can't stop wishing for what I had,
Need your kisses and I need 'em bad.

So hard to go on living,

I know that your not mine.
It's hard without all the love you've given.

(chorus)
