

The Minor Canon "Bend Like Trees"

If I don't get it
I'll be the only one alone
Counting sheep
If I don't let it
Knock me off my feet
I'll bend in the wind like trees
Bop, ba dop, ba da da dop...

So can't I argue
Of green lights yielding you
Alone tonight in sleep
So if I die trying
Then hallowed be my name
Alone she just might be.

If I push too hard and wail too loud
Then swallow my foot, take it back
I could be immune to all of you
And you exposed to me.
C'mon...
