

The Minor Canon "Falling Forward"

Sometimes, I feel I'm falling forward
Towards you, if I can make it easier
I will, crawl out of my skin, crawl out of my skin
Fall out of my skin.

No I can't save you,
Oh no I can't save you,
You were already gone.

As they, take you from my arms I
Can't breathe, the spotlight's shining on you,
I plead, please breathe, please breathe
Please breathe.

No I can't save you,
Oh no I can't save you,
You were already gone.
No I can't save you,
Oh no I can't save you,
No I can't save you,
No I can't save you,
Oh no I can't save you,
You were already gone.
