I'm paranoid but I'm barely aware
The poison around me
So I'm killing off all those who care
So that I can see clearly.

I'm giving you a way out,
Telling you to stay out of my life
It's gonna explode,
It's gonna explode,
It's gonna explode.

I'm cynical but gullible enough to wear
My heart upon my sleeve
It sits in view for all those who care
Well it doesn't work anymore.

I'm giving you a way out,
Telling you to stay out of my life
It's gonna explode.
I'm giving you a way out,
Telling you to stay out of my life
It's gonna explode.
