I have never grown up  
I feel better when I feel like a child  
It's so far away from now  
To the time in which you are lost inside

You have to be young  
Whenever you want to feel like yourself  
Don't be so weak, don't be scared  
You can achieve whatever you want

I wanna feel young forever  
We just live on the same tree  
What do you think about my cries?  
Why don't you come away with us?  
Why don't you come away with us?  
How do you feel now?  
Try to see it my way!  
Forever forever young
