How I wish it was true
That it wasn't a dream
But the fucking truth

One day I'll touch with my hands
I'll see with my eyes
And it will be the best

How, how long have we to wait?
How much have we to kill,
To kill for the faith?
Yes how, how much have we to grow?
How deep have we to fall,
To get to the surface?

Hey you, the one who knows
The one who loves
Tell us, tell us how it was
And how it will be
Hey Lord! Give us what we need
And what you forgot
The great illusion for all
And for all our kids
