Visit "[The Whole](#)" on MotoLyrics.com

Come on, come on, let's go, there's no time for
reflection
You just can't go back to the world of doubts
And so if you change your mind you are not the same
It's an endless breaking free from yourself

Everthing is changing
All is no longer safe
They think we have always been
The way they see us now

The whole is moving
I'm not anywhere
We are nothing
Nothing at all

The whole is moving
I'm not anywhere
We are nothing
Nothing at all but stars
Nothing at all but stars
Nothing at all but stars
