Hey did you see,did you see,did you see
What happened to the world?
Please comfort me,comfort me,you know
The future has been sold
It has been sold out
Old you're growing old,you're growing old,so run away
Cos time beats only once
Cos time beats only once
It beats only once
It beats only once
It beats only once
Only once
It beats only once

Hey did you read,did you read,did you read,
Did you read the latest news?
Time,not much time,not much time,not much time,
There's not much time left to think
Time left to think
Old you're growing old,you're growing old,
So hurry up
Cos time beats only once
Cos time beats only once
It beats only once
It beats only once
It beats only once
Only once
It beats only once

I know we are walkin'alone
Staring at sun by the phone
Gazing through you I can't see
I can't see the way it's gonna be
