One more night to make this happen,
And one last chance to hold your hand.
And just one kiss to get this going,
And one more hope to understand.

And darling don't get so worked up,
And everything will be just fine.
And darling don't get so hung up,
You know you'll never change my mind.

What can I say?
What can I do?
You're still in love,
But I'm so over you.

Oh oh oh.
I'm so over you.
Oh oh oh.
(And all the things that you do.
Oh oh oh.
Oh, I'm so over you, tonight.

One more night to make this happen,
And one more chance to hold your hand.
And just one kiss to get this going,
And one more hope to understand.

And darling don't get so worked up,
And everything will be just fine.
And darling don't get so hung up,
You know you'll never change my mind.

What can I say?
What can I do?
You're still in love,
But I'm so over you.

The things you say,
The games you play,
There's nothing, there's nothing, that can take it away.

Oh oh oh.

I'm so over you.
Oh oh oh.
And all the things that you do.
Oh oh oh.
Oh, I'm so over you, tonight.

Oh no, gonna' try and let it go,
Don't wanna see you standing in the cold.
Oh no, gonna' try and let it go,
You've always made it, made it on your own.

What can I say?
What can I do?
You're still in love,
But I'm so over you.

The things you say,
The games you play,
There's nothing, there's nothing, that can take it away.

Oh oh oh.
I'm so over you.
Oh oh oh.
And all the things that you do.
Oh oh oh.
Oh, I'm so over you, tonight.

(x3) One more night to make this happen,
And one last chance to hold your hand.
