Havin' sex and headaches  
Slip in a tail spin  
Sighin' all over  
The story of my love

Take all these chances  
Just to feel alive  
I have lost this  
Will I ride?

And I just want to feel it  
At the same time wanna hide  
Yeah

Startling, wanting, and searching more  
Ending up shelling a broken jaw  
Trying to find the legs to crawl  
Searching the waves to wash it all  
Away

And I just want to feel it  
At the same time wanna hide  
Yeah

You may be the last thing  
I'll ever have a chance to save

Ah!

I just want to feel it  
At the same time, wanna hide  
And the chance, now, just to feel it  
At the same time so alive

I just want to feel it  
At the same time, wanna hide  
And the chance, now, just to feel it  
Feelin' so alive!
