24 7, love.....

If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
U know just what I need, it's what I need
If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
You know just what I need, it's what I need

In the morning, in the evening,
In the winter, spring or summer
What if it's early, or it's late
It doesn't matter any time
Tender loving, sweet devotion
Every second, minute, hour
I'll b waiting 4 U
U can put Ur loving on the line

Take me in Ur arms n let me know that it's alright
Look in2 my eyes n let me C U deep inside
24/7 hours a day, 7 days a week
I get 2 feel U here bside me
I get 2 hold n squeeze U tight

If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
U know just what I need, it's what I need
If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
You know just what I need, it's what I need

I've been praying, asking, saying
Send me some more like U just 4 me
Someone special, I belong 2
I could b Urs n U'd b mine
Quiet moments, filld with passion
In my heart, U know I'm yearning
All 2 please U, touch U

Send me Ur loving right on down

Take me in Ur arms n let me know that it's alright
Look in2 my eyes n let me C U deep inside
24/7 hours a day, 7 days a week
I get 2 feel U here bside me
I get 2 hold n squeeze U tight

If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
U know just what I need, it's what I need
If U want me 2 do U right
U R gonna have 2 love me day n night
24/7 , love
You know just what I need, it's what I need

If U want me 2 do U right
