Once I bought a curious bottle,
Once I bought a bottle for fun.
Tell me what you gonna do with the bottle
When the curiosity's done.
Well I brought it out to the Bo Bo's party
Then I got it in to the company,
Then I brought it up to the boys in the backroom,
They got the knack to tune in on me,
Then I brought it up to the boys in the backyard.
I find it hard to hold on me,
I find it hard to hold, I find it hard to hold,
I find it hard to hold on me, I find it hard to hold on me,
I find it hard to hold, hard to hold, hard to hold.

You know, I've been bad, but
I would be good instead.
Ah, if my man did half of the things that he said,
I wouldn't have to go to the Bo Bo's party
I wouldn't have to go to the company,
I wouldn't have to go to the boys in the backroom,
With their knack to tune in on me,
I wouldn't have to go to the boys in the backyard.
I find it hard to hold on me,
I find it hard to hold, I find it hard to hold,
I find it hard to hold on me, I find it hard to hold on me,
I find it hard to hold, hard to hold, hard to hold.

You know, I've been bad, but
I would be good instead.
Ah, if my man did half of the things that he said,
I wouldn't have to go to the Bo Bo's party
I wouldn't have to go to the company,
I wouldn't have to go to the boys in the backroom,
With their knack to tune in on me,
I wouldn't have to go to the boys in the backyard.
I find it hard to hold on me,
I find it hard to hold on me,
I find it hard to hold
