Chorus:

Everytime I hear your voice
I get better and better in everyway
And everytime I see you smile
It feels as though my problems drift away
Cuz baby boy your everything I need and more

Verse 1:

When I walk up to your friends
They say I have you whipped and all
But they don't understand
That it's love that we have going on
Cuz...

Chorus

Verse 2:

I feel that I can trust you with my heart and soul
Not only do I love you
But I feel that you love me too
Cuz...

Chorus

Verse 3:

I'll do anything to make this work
So promise me that we'll never end
Cuz if we did
I don't know what I'd do
Because baby boy
Your everything I need and more, and...
